Presenting Problem:  
Anxiety is still experienced by Mr. Proudlock.  
Symptoms of depression continue to be described.  
Mr. Proudlock continues to experience mood swings.  
Mr. Proudlock continues to experience symptoms of psychotic process.

Recent history ;  
  
Client has a history of chronic homelessness, substance and alcohol abuse, financial instability, unemployment. Struggles with extreme poverty, exposure to diseases, schizoaffective disorders, paranoia hallucinations.

Social Support Changes:  
Mr. Proudlock's family or social support network has occurred no changes.

Therapeutic intervention ;  
  
Johnathon was assisted in acquiring a cup of milk from the kitchen, so that he could have a drink, to help settle him. Client asked if there was anything to eat, and was offered a cup of ramen. Johnathon took the ramen, and ate a few bites before returning to his mat to lay down.

Assessment ;  
  
**BEHAVIOR:**  
Compliance with medication is good. He is paying less attention to self care. His ability to do domestic tasks is impaired and assistance is needed. He is socially isolated. His functioning at work is impaired. There are no early signs of substance abuse relapse and sobriety has been maintained. His academic and social performance in school is marginal. Some anger has been displayed. Impulsive behaviors are being displayed less frequently. Mr. Proudlock has normal food and fluid intake. Mr. Proudlock is almost always confused.

Mr. Proudlock presents as calm, Mr. Proudlock presents as guarded, inattentive, minimally communicative, disheveled, normal weight, and slow to respond. His speech is monotonal,slow, and soft. Language skills cannot be assessed. There are no apparent signs of hallucinations, delusions, bizarre behaviors, or other indicators of psychotic process. Associations are intact, thinking is logical, and thought content appears appropriate. Suicidal ideas are convincingly denied.

Plan: Continue to accommodate client to the best of shelter abilities and continue to prompt client to continue participating in programming plans now being implemented by shelter staff.
